Date	Event/Deadline	Description
Saturday, June 29	Cohort assignments sent via email	The program office has sent you your cohort assignment via email: • Evening Cohorts: **BLUE** (Monday/Wednesday) or **GOLD** (Tuesday/Thursday) • Weekend Cohorts: **AXE** or **OSKI**
Monday, July 8	**DEADLINE**: Update Student Directory information	Log into the student directory site https://studentdirectory.haas.berkeley.edu/ with your Haas email/network account and verify and update information. *Set-up instructions for this account and your CalNet ID were in an email from the admissions team and are listed below. NOTE: access to the student directory is only available to students who have created their CalNet ID. If your CalNet ID is not activated yet, please email the information listed below to ewmba_office@haas.berkeley.edu by July 8th.* 1) Select your T-shirt size and dining preferences ("vegetarian", etc.) under the "Update your preferences" area. 2) Agree to the Liability Waiver required for participation in program activities, including Orientation. 3) Indicate your transportation preference in the Transportation Preference tab. You can choose between our shuttle service (evening cohorts) or a campus parking pass (evening and weekend cohorts). More info: http://www.haas.berkeley.edu/EWMBA/StudentHandbook/transport.html 4) Verify or update your mailing address. We will be sending your textbooks to your residential address at the end of July. 5) Upload a photo into the directory by July 8th. We use these photos for a printed facebook for students, staff and faculty. Please upload an appropriate headshot or passport style photo of yourself that contains a clear view of your face. Photos should be larger than 100kb in order to print clearly, and as much as we'd love to see your family or pets, photos should only feature yourself. Anyone that has not updated their preferences by Monday, July 8th will receive a Men's Large shirt at orientation and your photo will not be included in the printed facebook.

Date/Time	Event/Deadline	Description
Sunday, July 28	Financial Accounting Review Workshop	**Financial Accounting Review Workshop** **Sunday, July 28, 2013** **9:00am - 5:30pm** **UC Berkeley Haas School of Business, Andersen Auditorium** **Facilitated by Professor Suneel Udpa** This one-day workshop provides an orientation to the basics of accounting and financial statements. It is designed for incoming MBA students who have no background in accounting, have never taken an accounting course, and/or who might find themselves struggling in the 'accelerated' core Accounting course taken during the Fall semester. Using clear and easy-to-understand examples, the workshop describes the basic financial statements including the balance sheet, the income statement and the cash flow statement. It also explains the processes of accounting from transaction analysis and data entry to adjusting and closing entries and their impact on financial reports. Please Note: • **There is no fee/tuition, but registration is required at** http://www.surveymonkey.com/s/AccountingReview2013 • The workshops will be taught by Professor Suneel Udpa, Lecturer at the Haas School of Business. To learn more about his teaching and experience, click here. • Food and parking will not be provided. Suggested lunch restaurants and nearby parking options will be included in your registration reminder closer to the start date of the course. • The session will be recorded. Both notes and the video link will be made available online after the workshop is completed. • The EWMBA program office will be closed on Sunday 7/28.

Date/Time	Event/Deadline	Description
Friday, August 30	Health Insurance Waiver Due	All UC Berkeley graduate students will automatically be assessed a health insurance fee each semester. However, you do have the ability to waive this fee if you have currently sufficient health insurance coverage of your own. In order to waive this fee, you must submit a health insurance waiver form online. NOTE: The waiver requires a CalNet ID authentication process, which involves your CalNet ID (Student ID number) and passphrase.
