MBAs: Forwarding Your bConnected Mail to a Personal Inbox

We have received a number of inquiries about receiving your @mba email in a personal inbox (Gmail, Yahoo!, etc.). Instructions for these are available on the bConnected web page, but before you click on the link below, please make sure that you've completed all the steps in activating your @mba email and bConnected account.

- If you haven't completed these steps, please visit this link
- If you have completed @mba email and bConnected account activation, the link for mail forwarding instructions is here.
