Course Description: Are you concerned about your financial future in a complex world of credit cards, debit cards, student loan debt, credit reports, FICO scoring, identity theft, 401(K) plans, IRAs, the impact of love and money in a relationship, the best ways to buy a house or car, taxes, investing in stocks, bonds, mutual funds, real estate, and the soaring cost of healthcare? Learn how to better manage your money and achieve “financial security” in a rapidly changing global economy. This course discusses Personal Financial Management and gives you a solid background in the subject as you prepare for your career in a world where important financial choices are made and mistakes can be costly.

Continuing Lecturer: Fred Selinger has served on several boards of directors and has held licenses in securities, real estate and insurance. He has served as a Corporate CEO, Managing Director of a private Investment Bank, and has conducted Professional Business & Financial Seminars.
