

Haas Undergraduate Program

Suggested Two Year Plan

In your first semester we recommend you take 3 core courses. UGBA 100 is mandatory in your first year and UGBA 107 is recommended in your first year, the other two or one, depending on whether or not you take 100 and/or 107, are up to you depending on your interests. Please note this is only suggested – we DO NOT recommend enrolling in all business courses especially in your first semester or taking more than 3 core courses in your first semester.
