Request for an Exception to Haas Undergraduate Program Policies:

The Haas School of Business is one of the many Colleges here at UC Berkeley, and each College has their own academic policies. Thus, there are no automatic late drops, adds, or changes in grading option in our College. All exceptional changes to schedule must be petitioned through this form. Although a Haas student may be petitioning for a non-UGBA class, all Haas students must petition with the Haas Undergraduate Program. All simultaneous degree students must submit one petition for each College affiliation.

If you are petitioning to take less than 13 units in the first semester of your senior year, the only required document is the Petition Form (page 4 of this packet).

**Deadline:** Petitions should be submitted as soon as possible following the event(s) leading to this request. We will stop taking petitions after the last day of instruction.

Please read carefully: The Haas Undergraduate Program policy requires students to finalize their course schedules by the established enrollment deadlines set by the UC Berkeley Office of the Registrar. A schedule change after the deadline requires an exception to the rules by the Undergraduate Program Office; therefore, requests for late changes are considered only in the case of extenuating circumstances. **DO NOT discontinue class attendance on the assumption that your request will be approved.**

Your petition must include the following:
1) page 2 checklist,
2) a completed Petition for Exceptional Change of Class Schedule,
3) a personal statement,
4) documentation of the extenuating circumstances that led to your request, and
5) faculty verification form

*Please include your full name and SID number on each page. Incomplete petitions will be denied.*

**Extenuating circumstances are defined as, but not limited to:** Events or circumstances beyond your control that had a significant impact on you that: 1) prevented you from acting by the relevant deadline, or 2) arose unexpectedly after the deadline. Among other things, extenuating circumstances do not include: 1) not needing or wanting a class, 2) not doing well in a class, 3) not knowing you were still enrolled in a class, 4) not knowing the deadline or procedure for changing your schedule, 5) forgetting to make an intended change, 6) not knowing how well you were doing in the class by the deadline, 7) having too heavy a course load, 8) wishing to improve your GPA. **Unexplained or excessive delay between discovering the necessity of filing this petition and submitting it may be grounds for denial.**
Please review the items below and check each box that applies to you.

1. Petition and required signatures

☐ I have completed and signed my petition.
☐ If I have ever been a member of the NCAA, I have checked the Yes box on the petition and my Faculty Athletic Representative has signed the petition and stamped it with the OFAR stamp.
☐ If I am asking to add a course or change the number of variable units, I have included the class number and obtained the signature of the instructor of record (not the GSI or student coordinator).

2. Personal Statement

You should attach a personal statement to the petition form. The statement should include:

• a clear, chronological explanation of the extenuating circumstances that led to this request and how these circumstances affected my academic work in the course in question (as opposed to my other courses), including relevant and specific dates and facts; and
• an explanation of any delay between the events referred to in my statement and the filing of this petition.

3. Documentation (may include medical records, pay stubs, accident and police reports, proof of travel, financial records, 3rd party statements confirming family or personal circumstances, an obituary, etc.). All medical documentation should be evaluated by the University Health Center, which will issue you a “Verification/Evaluation of Medical Care” to be included with your request.

If you have seen a non-UC Berkeley provider for psychological care, please provide a “Summary of Psychological Care by Non-UC Berkeley Providers,” available here (.pdf).

4. Faculty Verification – All forms must be signed by the instructor and submitted in a sealed envelope with the rest of your petition.

☐ If I am requesting a late add, I have included a form from the instructor or department administrator explaining the administrative error or miscommunication that caused me to not be enrolled in the course.
☐ If I am requesting a late drop, change of grading option, or change of variable units, I have submitted a form from the instructor addressing my academic performance and attendance before and after the circumstances leading to my request and any information they can provide regarding those circumstances.
