Graduation Requirements

• 42 total units
  – You *will* graduate in the semester (including summer) when your unit count equals or exceeds 42
  – No course with a grade of a D+ or below can count toward the 42-unit requirement (even though CalCentral will count it)
  – All courses (except those in Spring 20) must be taken for a letter grade to count (unless the course is designed as SUS)

• Minimum cumulative GPA of 3.0 or higher
