Getting to Know Each Other

- In pairs, share with each other:
 - Name and where you are from
 - Teaching experience and what you'll be teaching at Haas
 - Something we would never guess about you
 - What is something you struggled to learn?
 - If you were a super hero, what would your super power be?

Agenda

- Welcome
- Getting to know each other
- Your expectations of TES
- Overview of CTE and New Faculty Orientation
- What to expect

*what is CTE and
why do we exist?*

Why offer a New Faculty Orientation?

- Teaching is a craft
- We can shorten the learning curve
- Teaching skillfully is less time consuming than teaching poorly
- Connect new faculty with the Haas community and culture

What to expect

- Overview of the Berkeley - Haas School
- Principles of course design
- Principles of course delivery
- Application:
 - Hands-on activities relevant to your needs
- Connect with colleagues

today we encourage you to
