Education

Post-Doctoral Bridge Program, University of Florida, 2013
Ph. D. in Economics, University of Wisconsin, August 1983
M.A. in Economics, University of Wisconsin, May 1980
B.A. in Economics, California State University, Fullerton, May 1978

Professional Experience

Assistant Professor and Master of Science in Financial Analysis Program Director, School of Management, University of San Francisco. I have been teaching for the USF School of Management and Department of Economics since 1996.

Instructor, University of California, Berkeley Extension, 1997-present. In this position I teach international economics and finance in the International Diploma Programs for international students.

Vice President and Quantitative Consultant, Callan Associates, Inc., May 1994-June 1995. This position focused on economic and investment analysis as it relates to domestic and international capital markets, in particular emerging markets.

Principal Economist (Principal Administrator), Centre for Co-operation with the Economies in Transition, Organisation for Economic Co-operation and Development (OECD), 1992-1994. This position involved working on a number of central and eastern European countries. Responsibilities included economic analysis and monitoring, overall management of the OECD work program with six countries, co-ordination with the recipient governments, and development and implementation of specific projects.

Visiting Professor, American University of Paris, 1990-1993. In this position I taught various undergraduate economics courses.

Assistant Professor of Economics, University of California, Santa Cruz, 1983-1990. This position involved teaching various undergraduate and graduate economics courses.

Awards

"Honored Instructor", University of California, Berkeley Extension, 2006.

"Outstanding Adjunct Faculty", USF School of Business and Management, 2003.
