Leading with Impact

UGBA 196.3

This popular MBA course is now available to undergraduates to develop your leadership & communication skills. Practical exercises will help you prepare for internships and interviews, and our inspirational curriculum will help you discover your personal leadership values.

“I recommend these instructors and the course to fellow students as I learned a lot about how I can become a better leader and a better person overall. That has helped me in my relationships with people and teams outside of the class.”

The course is designed to develop leadership skills on 3 levels:

1. **Leading Self** - Discover your authentic leadership and communication styles and understand what's working and what needs work.
2. **Leading Others** - Develop leadership skills and communication techniques to motivate, inspire and connect to the thoughts and feelings of others.
3. **Leading Change** - Explore innovative ways to make a positive impact on individuals, teams and the world around them through different modes of communication.

**Two units
Tuesdays
2 - 4 p.m.**

“This course has a different take on how to develop you as a leader by first teaching you to learn more about yourself.”
