About the organizer:

RISE @ Berkeley Haas is an admissions outreach program managed by The Haas Undergraduate Programs Office.

RISE's mission is to increase the applicant pool of historically underrepresented minorities (URM) through programs that motivate and support students in pursuing the business major. RISE seeks to create a greater presence on the UC Berkeley campus by partnering with alumni and various student organizations. Connecting with these communities assists in promoting the diverse areas of business, while serving as a network to prospective Haas undergraduate students.

We are so excited to have you! #HUDS2019
