

New Haas Grading Policies

* For elective classes with enrollments of fewer than 18 students, an instructor who wishes to violate this policy must explain in writing to the ADI why the course, and the distribution of students who are enrolled, warrant a deviation from this policy. Written approval from the Senior Assistant Dean of Instruction (SADI) must be obtained to proceed with a different mean GPA for the class. In the event of such an approved deviation from the policy, the mean GPA of any course should not exceed 3.65.

** For elective classes with enrollments of 18 or more students, the process for obtaining an approved deviation from this policy will require not only the SADI's approval as described above, but will also require written approval from the Dean of the Haas School. In the event of such an approved deviation from the policy, the mean GPA of any course should not exceed 3.65.
