

## Privacy and Recording Notice

To improve student optionality and the student learning experience, we use live streaming and recording technology in our Haas MBA courses and events. Use of these technologies allow:

- Students to participate in core and elective courses and Haas campus events (such as Dean's Speaker Series events) remotely
- Students to watch video recordings of classes and events they could not attend in person
- Prospective students to observe first hand our unique Haas culture via live stream as they decide whether to apply to the MBA Programs or accept an offer of admission
- Students to view course recordings for courses they are not enrolled in to help them decide on electives to enroll in or as an enrichment opportunity
- Haas Alumni to audit Haas electives as part of the Haas lifelong learning proposition
- Members of the Haas Community to engage or watch important BerkeleyHaas Events such as Dean Speaker Series events, lectures sponsored by Centers and Institutes, and ceremonies such as Commencement

In recognition of these practices, the MBA Programs at Haas, events and class lectures may be live streamed via the internet and/or recorded.

I understand that, as a result, my personally identifiable information may be disclosed to individuals with access to the livestream and/or recordings, as described above. The information may include: my name, my course enrollment and recordings of my participation in academic and extracurricular activities.

**By enrolling in, or attending, any MBA courses, I acknowledge and consent to the terms of this Privacy and Recording Notice and provide my authorization to the practices and activities described above.** This authorization will remain in effect until my graduation or departure from the MBA Program, whichever comes first.
