

Seminar in International Business

China – Spring 2020

EW MBA298S: SIB China (2 units)

Instructor: [Arman Zand](#)

Seminars in International Business ("SIB") are designed to introduce EW MBA student participants to the culture, history and business environment in various countries. Each SIB program focuses on a country and illustrates how business environments vary across cultures.

For SIB China, the spotlight is on **technology** and **venture capital**. The topic to be considered is: "China as a global innovation super power". Through this lens, the class will examine a variety of companies and investors in China. The goal is to develop a broader perspective of innovation in China.
