Minimum Units: Each semester you must take a minimum of 13 units. During your first semester, it is recommended that you consider taking only the minimum number of units in order to give yourself time to adjust to the new academic and social environment you'll experience at Haas.

Breadth Courses: If you have not completed all of your breadth requirements, consider taking upper division courses to complete the sequence as those units will also fulfill the upper division non-business requirement for the degree.

University Requirements: American Cultures and History & Institutions

Grading Option: All upper division UGBA courses, except for UGBA 194, 198 and 199, must be taken for a letter grade.

Course Plans: Your schedule should include business and non-business courses and a blend of quantitative and qualitative courses.
