

BERKELEY-HAAS CHAPTER VOLUNTEERS

HOW YOU CAN HELP FUNDRAISE FOR BERKELEY-HAAS

-  Make your annual donation early in the fiscal year, so you can ask others to join you in supporting Berkeley-Haas.
-  Provide Haas staff with complimentary tickets to Chapter Events, so they can attend and invite/cultivate leadership prospects.
-  Before chapter events, ensure you have remit devices and take two minutes to communicate why you give back to Berkeley-Haas, and encourage others to join you.
-  Help Berkeley-Haas staff to identify and meet new potential prospects within your class or region (review lists & e-introduce staff).
-  Ensure that your chapter has 100% donor participation each year among your chapter board/volunteers.
-  Serve as your chapter's "development captain" to help increase overall alumni donor participation and giving in your region.
