

“Elevator Pitch” for BHAN Leaders

If you are looking to expand your network or if you'd like to stay or get more connected with Berkeley-Haas, you are welcome to join our chapter's leadership team. We meet each month to plan a wide variety of events and would really welcome your input and involvement.

The culture of our chapter is flexible and fun. We have part-time or “associate” members, for alumni who may not be able to attend most of the meetings, as well as active board members, like me, who can commit to more.

If you are interested in attending one of our board meetings, just give me your email address and I will send you a list of upcoming board meetings with information about the time and location of those meetings. I can also send you the Minutes from our most recent board meeting so you have an idea of what we are currently working on.

I hope you can join me at our next meeting.
